**Josip Elez**, is the son of Medjugorje Visionary **Ivanka Elez**. He is married and has 2 children who they are raising in his mother's footsteps. God is first in their lives, followed by family. His mother said many times, "if you don't raise your family according to God's will for families, nothing else matters much." He brings his own personal story to our ministry of spreading "the Blessed Mother's" messages to the world. He will share his experiences of growing up near Medjugorje, and what it is like being the son of a visionary.

**Ellen Severoni**, Come and listen to Ellen's story of her conversion and ongoing commitment to the Immaculate Heart of Mary, the Catholic Church, and her community. A parishioner at St. Catherine of Siena Catholic Church in Laguna Beach, she has served as Co-Chair of both the Pastoral Council and the Development Council. For the last 20 years she has been a member of the Our Lady's Blue Army/World Apostolate of Fatima at nearby St. Edward the Confessor Catholic Church in Dana Point; she now leads that weekly prayer and meditation service.

For six years, she was a volunteer with the Office of Restorative Justice and Detention Ministry at Juvenile Hall in Orange, a Bible study teacher and provider of communion services to young inmates. She also serves as a Spiritual Care Volunteer at Mission Hospital at its locations in Mission Viejo and Laguna Beach.

She has participated in organizing and leading Catholic retreats and Bible study in several settings, including her home.

**Moira Noonan**, Moira is a popular international speaker, witnessing and evangelizing at conferences, seminars, seminaries, monasteries, retreat centers, parishes as well as religious cable television and radio. She will give examples of her life of witnessing to family, friends, and loved ones of freedom from the bondage of sin. She was raised with the false notion that prochoice and promiscuity was an acceptable lifestyle. Moira came from a cradle Catholic family that got ensnared into the popular culture and became apostate from traditional Christian values. She is a lay witness to living in the communion of saints and the sacraments and sacramental of the Church in overcoming idolatry, superstition, addiction, psychic practices and unforgiveness. She will share with us many Miracle Stories of God's Mercy.

**Abbot Charles Wright**, After serving for nearly 21 years as abbot of the Prince of Peace Abbey in Oceanside, California, Fr. Abbot Charles has resigned from his office. Since then he conducts many retreats in Prince of Peace Abbey as well as other places for lay people, priests and bishops. He says that his "life as abbot has been a growing experience of what it means to be a father (abba) to a wide variety of personalities in these uncertain and changing times." He will teach us how to make our faith stronger when difficulties and hardships come into our lives and how to overcome fear with courage and trust in the love of our Heavenly Father.
